The official publication of the Canadian Association for Enterostomal Therapy (CAET)

EDITORIAL GUIDELINES FOR THE LINK

The Link is the official publication of the Canadian Association for Enterostomal Therapy (CAET). It is published 3 times a year – Spring, Fall, and Winter. The deadlines for submission of content are as follows:

Spring: January 5th • **Fall:** June 15th • **Winter:** October 1st

All submissions and queries should be directed to Catherine Harley, Executive Director, at catherine.harley@sympatico.ca or (613) 762-5788.

Publication Categories:

Submissions are welcome in the following categories (max. 1,000 words unless specified):

- Case Studies/Clinical Reports that will enhance or challenge critical thinking skills;
- Research Summaries with a clear description of study design, study limitations, implications to practice, and declared sponsorship/affiliation;
- Descriptions of Innovative Programs in the areas of wound, ostomy, or continence including an outline of how the program need was identified, program development and implementation, and an evaluation of outcomes;
- Items addressing Professional Development issues including the challenges and proposed solutions and how it impacts on our nursing specialty;
- Articles related to Ethical Issues facing our specialty;
- Letters to the Editor (max. 275 words); and
- Questions for Clinical Corner (max. 500 words).

Procedures and Requirements:

All articles must include a full disclosure of any grants, sponsorships, benefits received by the author, and a declaration of any potential conflict of interest.

Articles previously published in any other form or journal must include written permission from the previous publisher to re-print this item. Permission should include all author information, details related to the original publication and information on how the previous publisher wishes to be credited.

CAET reserves to right to publish items at its discretion and to edit all submissions, for content or length, prior to publication. All material must be appropriately referenced.

Dates for publications of approved articles are at CAET's discretion based on issue themes and available space.

Photos and diagrams will be accepted at 300 dpi resolution or higher. The author is responsible for ensuring proper permission has been granted for these images to be published.

CAET reserves the right to publish a disclaimer to any or all submissions at CAET's discretion. Publication in *The Link* does not represent CAET endorsement of any product or theory.
