How it Works

Industry representatives & NSWOCs create a team (try to balance the number of NSWOC & Industry representatives).

Each team selects 1 movie from a decade group. Then, they select 1 song from that movie.

Teams cannot choose the same movie as another team. All selections are made on a first come, first serve basis.

Please email office@nswoc.ca to confirm your movie selection.

THE COMPETITION:

You will be judged on 3 categories:

- 1. Costumes & Makeup:** Dress up to reflect the theme of your movie to receive a good score. Get even more creative and earn a great score.
- 2. Performance:** Perform one song from the movie you choose. Choreograph your performance like a musical, lip-sync the lyrics, and incorporate all cast members to receive a good score. Props are encouraged.
- 3. Audience reception:** This is a performance after all. Make sure you choose your movie and songs wisely. Hint: The audience wants to sing along with songs they know.
